

Common Errors: Exercise

Look at the following sentences. Are they correct?

1. If she hadn't eaten that curry, she wouldn't had become ill.
2. I would have finished my homework if I haven't played video games all night.
3. If you wanted to become healthier, you would try to do more exercise.
4. If I have known the time, I wouldn't have been so late.
5. I would get a part-time job if I had time, but I'm very busy studying.
6. They would have tried to call us, if they have our number.
